The Maysville Baseball Team presented a petition praying that Council grant them the privilege of playing Sunday ball in the East End Park. There seems to be a general complaint of down spouts, and an ordinance requiring that instead of letting the water flow over the top of the pavement it should be conducted underneath, will be passed at the next meeting of Council.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. HIS BOYHOOD HOME

Colonel R. R. Maltby Welcomed to Childhood's Happy Scenes

Pulaski (N. J.) Democrat.

Colonel Ralph Maltby of Washington, Ky., arrived at the home of his niece, Mrs. Jessie Maltby Greene, Friday.

Colonel Maltby left this his native town fifty-five years ago, and when he went West Buffalo was the far Western country—quite the frontier; Chicago was not even a stopping place. He has grown up with the country, but has never forgotten the town of his boyhood days and he has made many trips from the Bluegrass State to Pulaski, always glad to come, and always royally received by his many friends here.

Though in his seventy-fifth year Mr. Maltby is very active and shows great interest in the affairs of the country and events of the day.

At a mass-meeting of Pulaski county Republicans at Somerset resolutions were passed recommending not only the resignation of R. P. ERNST as Chairman of the State Central Committee, but also his expulsion from the party.

CHICAGO police, chasing robbers, fired a fusillade. One policeman was shot in the wrist, two innocent persons were wounded and the robbers escaped; which shows that the Chicago police are keeping up their reputation for "shooting wide of the mark."

WHAT a great thing it is to have a big Uncle to call on when a lot of nephews get to quarreling. The battling Governors of Louisiana and Mississippi having failed to corral the yellow fever, the people have called on Uncle Sam to assume charge of affairs; and he will do it, and will soon stamp out the scourge, too.

MR. GEORGE WERNER, the well-known Cincinnati Architect, who has our pretty Opera-house and several other Maysville buildings to his credit, and who has just finished the plans for Limestone Lodge's beautiful new Castle Hall, informs THE LEDGER that on several occasions he has specified Maysville brick for Cincinnati contracts; and these were what is commercially known as "common" brick. What will he do when it comes to the magnificent article produced by the Sphar Pressed Brick Works? You betcher, Maysville makes the real goods.

THE man whose devoted wife takes in washing, and whose children work out, that they may have bread and meat, isn't entitled to much sympathy if he meets with an accident and a flask of rotgut whisky is fished out of his hip-pocket.

KENTUCKY ranks fourth among the states for internal revenue collections, its payments aggregating \$21,754,309. A pretty fair record for a state that has 119 counties, in only 5 of which—according to the Prohibitionists—the sale of whisky is unrestricted; for at least \$21,000,000 of the above sum comes from the tax on spirits.

THE final report of the Receiver of the estate of Mrs. CASSIE CHADWICK has been filed. The assets are valued—at the upset price—at \$25,000. The lawyers' fees and court costs are placed at \$10,300. The amount available for the payment of claims allowed by the Receiver is \$14,700. The amount of claims allowed is \$2,000,000. The creditors will receive about seven mills on the dollar, less the fees to be allowed to the Receiver on the home stretch.

HERE'S a pointer for Judge NEWELL. In the Shelby County Court Judge E. H. DAVIS inflicted a fine of \$2.50 and costs in each of several cases before him for failure on the part of poll-tax delinquents to obey the summons of Road Supervisor Cook to report for work on the county roads in default of payment of the tax.

The delinquents contended that residence in an incorporated city exempted them from working on the public roads, but Judge Davis held otherwise and entered judgment.

A number of delinquents have paid the tax, penalty and costs rather than work on the roads. A large number of the notices have been served and will result in the collection of some claims or an abundance of work on the roads.

CATTLE DRIVEN FRANTIC

A condition we often see during fly time, and it's a bad condition, too, for cattle and horses cannot be worried by flies, mosquitoes, etc., without having their vitality lowered. If you want your stock to be profitable use our

Sunday during a storm lightning struck an iron hitching post in front of the David Krantz residence at Bucyrus, O. The post was destroyed and a part of the bolt jumped to the kitchen, where Mrs. Krantz was cooking. A knife in her hand attracted the lightning and she was severely shocked. The main part of the bolt jumped from the hitching post to a bed of white dahlias, in the center of which stood a single red blossom. None of the white flowers were injured in the least, but the red one and its stalk were completely wiped out.

ANOTHER WONDERFUL CURE BY CUTICURA

"No tongue can tell how I suffered for five years with itching and bleeding eczema, until I was cured by the Cuticura Remedies, and I am so grateful I want the world to know, for what helped me will help others. My body and face were covered with sores. One day it would seem to be better, and then break out again with the most terrible pain and itching. I have been sick several times, but never in my life did I experience such awful suffering as with this eczema. I had made up my mind that death was near at hand, and I longed for that time when I would be at rest. I had tried many different doctors and medicines without success, and my mother brought me the Cuticura Remedies, insisting that I try them. I began to feel better after the first bath with Cuticura Soap, and one application of Cuticura Ointment. I continued with the Soap and Ointment, and have taken four bottles of Cuticura Resolvent, and consider myself well. Any person having any doubt about this wonderful cure by the Cuticura Remedies can write to my address. Mrs. Altie Etson, Bellevue, Mich."

Major John Walsh and family, Miss Bertie McKellup, Mrs. "Jack" Peebles, Rev. M. A. Banker and family and other parties from this vicinity have decided to remain at Ruggles Campgrounds during this week.

The Rev. P. C. Dvally, presiding elder of the Elizabethtown District, Louisville Conference, created a sensation in church circles Vine Grove when he read from the pulpit an anonymous letter, written from this place, saying that the Ministers' daughter had attended a ball here, and participated in the dance.

Mr. Leon Squires arrived home yesterday from a week's stay at Ruggles Campmeeting. This morning he opened his suitcase to get him a clean shirt, knowing he had placed them there in packing it preparatory to his start for the Campgrounds. He was surprised to find all his shirts gone, someone having gotten into his tent and robbed his case while he was attending religious services.

They Appeal to Our Sympathies. The bilious and dyspeptic are constant sufferers and appeal to our sympathies. There is not one of them, however, who may not be brought back to health and happiness by the use of Chamberlain's Stomach and Liver Tablets. These Tablets invigorate the stomach and liver and strengthen the digestion. They also regulate the bowels. For sale by all Druggists.

Don't wait until your sufferings driven you to despair, with your all shattered and your courage but take Lydia E. Pinkham's table Compound. See what it does. Mrs. Rosa Adams, of 819 12th St. Louisville, Ky., niece of the late Rev. Roger Hanson, O.S.A. She writes: "I cannot tell you with pen and ink Lydia E. Pinkham's Vegetable Compound has done for me. I suffered with troubles, extreme lassitude, nervousness and that all-gone feeling, advised to take Lydia E. Pinkham's Compound, and it not only cured derangement, but it has restored health and strength. The younger days has returned, for any longer with despondence. I consider Lydia E. table Compound a boon to women."

Harvey Johnson, a Negro Preacher, is under arrest at Hamilton, O., charged with first degree murder.

Mrs. W. L. Ruzan, a licensed pharmacist and the only woman in Louisville who ever owned and operated a Drugstore, died at her home at Louisville Sunday morning of organic heart disease. Mrs. Ruzan had been ill for four months, but seemed to be improving until shortly before her death. She was 57 years of age and had lived in Louisville practically all her life.

Cure For The Blues

ONE MEDICINE THAT HAS NEVER FAILED

Health Fully Restored and the Joy of Life Regained

When a cheerful, brave, light-hearted woman is suddenly plunged into that perfection of misery, the BLUES, it is a sad picture. It is usually this way: She has been feeling "out of sorts"

for some time; head has ached a back also; has slept poorly, been nervous, and nearly fainted once twice; head dizzy, and heart-beats fast; then that bearing-down feel and during her menstrual period all exceedingly despondent. Not! pleases her. Her doctor says, "up; you have dyspepsia; you are all right soon."

But she doesn't get "all right," hope vanishes; then come the blues, morbid, melancholy, everlastingly BLUES.

Don't wait until your sufferings driven you to despair, with your all shattered and your courage but take Lydia E. Pinkham's table Compound. See what it does. Mrs. Rosa Adams, of 819 12th St. Louisville, Ky., niece of the late Rev. Roger Hanson, O.S.A. She writes: "I cannot tell you with pen and ink Lydia E. Pinkham's Vegetable Compound has done for me. THE LAST DAYS

Were Decidedly the Best at Ruggles Campmeeting

Correspondence Public Ledger.

RUGGLES CAMPGROUNDS, August 7th, 1905.

Campmeeting is now a thing of the past behind many pleasant memories. The best meeting ever held on these grounds. As we predicted, the last has been Sunday's crowd being the largest yet ever assembled on these grounds. The Saturday night made everything right again, as it had done the previous year. Indeed if we had had the ordering of the kind of weather we should have liked we could not have chosen better; and while Sunday's crowd was even so large, better order never prevailed.

Dr. Jennings was present and preached two powerful sermons to two congregations that taxed the utmost capacity of the Tabernacle. His sermons were received with the best of attention, and many impressions were no doubt made for better living.

It is only giving credit to whom credit is due when we say that the hotel under the management of Messrs. Hamrick & Plummer gave

splendid and efficient service. We have attended a number of years here, but the board the present year has excelled all previous years and furthermore they showed us that the supply of "yaller leg" chickens was inexhaustible. The people showed their appreciation of the good hotel service, as they were better patronized than in previous years.

The Campmeeting Association is much encouraged by the attendance this year, and will no doubt make extra preparations for the increasing attendance, as the latter part of the present meeting has shown that the people are appreciating this place by attending in greater numbers than ever before.

A most touching thing occurred in Saturday morning's testimony service. Brother Northcott made a talk urging mothers to the greater care over the religious life of their children. The words coming from one whom we all hold in such high esteem, produced a profound impression on all. After he had concluded, Rev. F. W. Harrop arose and delivered himself thus: "Though you have not preached, your presence on these grounds is a constant benediction; your name is as ointment poured forth and the words of your testimony like apples of gold in a picture of silver. We are glad you are with us again. God keep you. To this every one says amen heartily. Your talk was good. I am so glad of your talk to the mothers; it is much needed here. Since you spoke one lady said: 'No higher tribute could be paid than yours to your mother.'"

We can say, we think, without being contradicted, that to no one is the success of the present meeting more due than to our popular Presiding Elder, Rev. F. W. Harrop. Upon him fell the burden of the management of the services, and too much praise cannot be given him for the faithful and successful manner in which he discharged his task. Always present at the services, and by his kind encouraging words and sermons of practical value to all, he has doubly endeared himself to the people out here.

A number of families will remain here for several days in order to get that much more enjoyment from camp life. However, with most of us this is a day of breaking camp and taking the trail again for our own hunting grounds. Everyone we have consulted say they are coming again next year, and Mr. Lane, President of the Association, informs us that nearly all cottages and rooms are already engaged for next year.

Campmeeting is no bar to some very pleasant social affairs, among the most delightful of which was a birthday surprise given by the Tourist Club in honor of Miss Esther Hutchins on Saturday night. The cottage was nicely decorated, as was the table, where delightful refreshments were served, consisting of ice-cream, cake, watermelon and other delicacies of the season. All present enjoyed the occasion very much and left wishing Miss Hutchins many happy returns of the occasion.

The service Sunday night was in the nature of a praise service, led by Rev. F. W. Harrop. All Ministers and a number of others gave short talks, expressing grateful praise for this Campmeeting. After this Rev. Harrop marched his congregation around the Tabernacle, joined hands singing, "Marching to Zion," and then all congregated in front of the altar and had an old-fashioned handshake, after which the final Benediction was said, and another Campmeeting was a thing of the past. May they continue to prosper and be abundant in good works is the desire and wish of all. J. H. R.

The "Paul Revere" came in from Flemingsburg this morning in 1:20.

Miss Violet Graham, the Stenographer for the Ohio Valley Pulley Works, has returned from her vacation. During her absence her place was taken by Miss Natalie Cooper.

For cleaning brass and fine old china, oil paintings, etc., EASY TASK soap has no equal. A little of it in either warm or cold water produces a fine creamy lather peculiarly effective as a dust and dirt remover. Contains no rosin or injurious acids—just borax, naphtha and pure cocoanut oil. 5c at all grocers.

a good Sunday-school, but we regret to say
that many of our Church people were at the
Campmeeting having a good time.

A Warning to Mothers.

Too much care cannot be used with small chil-
dren during the hot weather of the summer
months to guard against bowel troubles. As a
rule it is only necessary to give the child a dose
of castor oil to correct any disorder of the bowels.
Do not use any substitute, but give the old fash-
ioned castor oil, and see that it is fresh, as rancid
oil nauseates and has a tendency to gripe. If
this does not check the bowels, give Chamber-
lain's Colic, Cholera and Diarrhoea Remedy and
then a dose of castor oil, and the disease may be
checked in its incipency and all danger avoided.
The castor oil and this remedy should be pro-
cured at once and kept ready for instant use as
soon as the first indication of any bowel trouble
appears. This is the most successful treatment
known and may be relied upon with implicit con-
fidence, even in cases of cholera infantum. For
sale by all Druggists.
